Introductions/Announcements

6:00

Regional Flexible Funding

6:10

PBOT has developed a 300% project list for the 2022-2024 Regional Flexible Funds Allocation (RFFA), which includes both active transportation and freight projects. By regional policy, the available funding is distributed 75% to active transportation and 25% to freight. Mark Lear from PBOT will present the potential projects and provide some history about this funding source.

Division Transit Project

6:40

TriMet's staff will present an update on the Division Transit Project. Their focus will be an overall project update including a summary of their efforts to develop a transit platform design that works for all users, including those bicycling.

Rose Quarter Freeway Project

7:20

Roger will discuss PBOT's perspective on the bicycle elements of the I5-Rose Quarter project's Environmental Assessment.

Adjourn

8:00

Good bicycle parking is available on both the 4th and 5th Avenue sides of City Hall. For Committee members who must drive, validated auto parking for any Smart Park garage is available. Reimbursement for traveling via TriMet is also available. Persons requiring a sign language interpreter should contact the Office of Transportation at 823-6868 between 8:00 a.m. and 5:00 p.m. at least two weekdays before the meeting so we can make arrangements.

If you have questions or need more information, please call Roger Geller at 823-7671.
